

Phi Theta Kappa (PTK) is the largest and most prestigious international honor society serving two-year colleges. The organization provides more than a certificate. It offers you opportunities for personal and intellectual development as well as a valuable network of connections involving careers, scholarships, and other success-oriented benefits. Membership is based primarily on academic excellence and is extended by invitation only.

Mission Statement

“The purpose of Phi Theta Kappa is to recognize and encourage scholarship among two-year college students. To achieve this purpose, Phi Theta Kappa will provide opportunity for the development of leadership and service, for an intellectual climate for exchange of ideas and ideals, for lively fellowship for scholars, and for stimulation of interest in continuing academic excellence.”

PTK members will be able to:

- Organize and orchestrate a PTK membership campaign
- Establish a system of leadership
- Develop both an Honors in Action and college-oriented service project
- Make chapter more visible on campus and in the community
- Become more involved with PTK on an international level

To ensure the organization is on the right track, evaluations are done through a group discussion to allow members, officers, and advisors to provide their input and voice in planning and implementing goals, programs, projects, and activities.
