## REGISTRATION & NEW STUDENT INFO

### ACCUPLACER ASSESSMENT

All students enrolling for the first time in courses with a math component, a writing component, or courses that require extensive reading are required to take the Accuplacer assessment before registering. The Accuplacer assessment is given in the Testing Center. Students are required to register for the appropriate level of classes indicated by the results of the assessment.

The computerized assessment is free and covers mathematics, writing, and reading. Low scores will not keep students from enrolling in college, but some courses and programs have minimum score requirements.

Students may be exempt from taking the Accuplacer assessment if they have other test scores (e.g., ACT/SAT) that demonstrate college level skills. A valid picture identification is required when testing. After completing the assessment, take a copy of your Accuplacer Student Score Report to your Academic Advisor.

For more information on the Accuplacer assessment, including Testing Center hours of operation, call the Testing Center at [575.769.4088](tel:575.769.4088).

### ADVISING

All students are encouraged to contact an Advisor prior to registering for assistance with course selection. The following students are required to meet with an Academic Advisor:

- First-time, degree-seeking students
- All Financial Aid students
- Students applying for Veteran's Assistance
- Students returning from academic probation or suspension status

Advisors are available on a walk-in basis. Each Advisor specializes in different major fields and student needs. Please contact the Academic Advising Office at [575.769.4020](tel:575.769.4020) or email [academic.advising@clovis.edu](mailto:academic.advising@clovis.edu) for hours of operation or more information.

### BOOKS AND SUPPLIES

Books and supplies are available at CCC's Bookstore. Please pick up your books prior to your first class meeting. More information regarding book orders and rentals can be found at [clovis.edu/bookstore](http://clovis.edu/bookstore).

## Textbooks are now more accessible and affordable!

Clovis Community College offers an affordable and convenient option for all your textbooks through the Textbook Affordability Package (TAP). Textbook costs are automatically built into tuition at the time of registration. Students can simply stop by the bookstore and pick up books or have them shipped directly to their homes. This allows for a streamlined process for financial aid charging and there is no more worrying about how to come up with additional money to pay for books.

### TRADITIONAL TEXTBOOK AFFORDABILITY PACKAGE

This is a textbook rental package and it covers most general education courses. See [clovis.edu/bookstore](http://clovis.edu/bookstore) for a complete list of courses. Students will have the option to purchase the rentals at the end of the semester by paying the difference in rental and purchase cost plus a \$10 purchase fee.

Textbook costs are \$36 per credit hour, which includes textbooks\*\*, lab manuals, and access codes. This fee excludes lab kits or supplies such as dissection kits, art supplies, etc.

\*\* Rentals must be returned at the end of the semester.

### PROGRAMMATIC TEXTBOOK AFFORDABILITY PACKAGE

This is a package in which books are purchased as a bundle in order to offer a lower cost to students. See [clovis.edu/bookstore](http://clovis.edu/bookstore) for a complete list of programmatic textbook fees for the following programs:

- Automotive Technology
- Electrical Maintenance
- Emergency Medical Services (EMS)
- Industrial Technology
- Phlebotomy
- Physical Therapist Assistant
- Nursing
- Radiologic Technology
- Welding

### OPTING OUT OF TAP

Students are opted into this program each semester at the time of registration. Students will receive an email through their student email account that includes an opt out link. Students who opt out are opting out of ALL courses for which they are registered and are responsible for all textbook costs. Students should contact [academic.advising@clovis.edu](mailto:academic.advising@clovis.edu) or [575.769.4020](tel:575.769.4020) for textbook advising. Students must opt out each semester by the deadline in order to receive a refund for the TAP fees. Textbooks will be available the week before classes start. Specific textbook and opt out information will be sent to student email addresses each semester. Deadline to opt out for fall can be found on page 3. For questions about opting out or to schedule delivery, students should contact the bookstore at [bookstore@clovis.edu](mailto:bookstore@clovis.edu) or [575.769.4050](tel:575.769.4050).

Attending orientation is important in answering any questions you may have about your college career. Orientation topics include: student services; campus resources; meeting students and staff, and getting involved. Take advantage of this opportunity to meet other new students.

As more information becomes available about orientation, we will reach out to students.

Please bring your class schedule and a picture ID to the Security Office in the Dr. H. A. Miller Student Services Center to receive your student ID card.

## WITHDRAWING FROM CLASSES

If you withdraw from a class after the last day of late registration, the withdrawal will be recorded as "W" on your transcript. If you feel you will be unable to complete a course successfully, you must withdraw in order to avoid a failing grade for the course. You can withdraw online at [pathway.clovis.edu](http://pathway.clovis.edu) or complete a form in the Admissions and Records Office prior to the deadline. For more information, please contact the Admissions and Records office at [575.769.4025](tel:575.769.4025).

Please see the Academic Calendar at [clovis.edu/academiccalendar](http://clovis.edu/academiccalendar) for final withdrawal dates. Financial aid students should contact the Financial Aid office for information on how withdrawals may affect future financial aid. Withdrawing from a class is final and you cannot be reinstated.

## TUITION, FEES, & PAYMENT

Deadline to pay for Fall 2023 Semester is midnight on **August 11, 2023**. After that date, payment must be made the day of registration.

If payment or other financial arrangement is not made by the payment deadline, class registrations may be voided. It is the student's responsibility to drop classes through the Admissions Office if he or she does not plan to attend. Do not assume registration will automatically be voided for nonpayment. Students who are dropped for nonpayment are encouraged to re-register and make payment arrangements to secure their classes; however, your original class(es) may be closed, and you may have to choose alternate classes.

**Resident Out-of-District:** Students whose legal state of residency is New Mexico, and who have lived in New Mexico for the past 12 consecutive months, but who live outside of the Clovis Community College tax district.

Any Texas residents who reside within a 135-mile radius of CCC will be assessed in-state, out-of-district tuition.

**Non-Resident:** Students whose legal state of residency is not New Mexico or who have not lived in New Mexico for the past 12 consecutive months.

**Petitions for In-State Tuition Classification:** You must petition for changes to your residency status by completing a Petition for Resident Tuition Classification. This form is available in the Admissions and Records Office. All requirements must be met by **August 21, 2023** and documentation submitted to the Admissions and Records Office by **September 8, 2023**.

**Military Exemption:** Military personnel and their dependents qualify for in-state tuition rates. Contact the Admissions and Records Office at [575.769.4025](tel:575.769.4025) for assistance.

## FINANCIAL AID

Students eligible for financial aid who would like to charge their tuition and fees must set up a Pending Financial Aid Payment Plan (PFAPP), **even if their file is complete**. Students who withdraw before their financial aid checks are disbursed may lose their eligibility and may be responsible for payment of tuition, fees, books, and miscellaneous charges.

Financial aid students who stop attending, withdraw, or are administratively withdrawn from classes before **October 23, 2023** may be subject to a Federal Refund Calculation.

If you are using Financial Aid, please contact the Financial Aid Office prior to withdrawing. Withdrawing from a class is final and you cannot be reinstated. Contact the Admissions and Records Office at [575.769.4025](tel:575.769.4025) or email [admissions@clovis.edu](mailto:admissions@clovis.edu) if you need assistance.

Students with a PFAPP may charge books and supplies **August 12 - September 1, 2023** (based on remaining eligibility).

Visit the Financial Aid Office or call [575.769.4060](tel:575.769.4060) or email [finaid@clovis.edu](mailto:finaid@clovis.edu) for more detailed information.

## SCHOLARSHIPS

CCC has many scholarships available, ranging from \$100 to \$1,000 per year. Students are encouraged to apply for scholarships to lessen the need for loans or part-time work to attend school. These scholarships are made possible by generous contributions to the College and CCC Foundation.

Apply online for dozens of CCC scholarships at [clovis.academicworks.com](http://clovis.academicworks.com).

## SENIOR CITIZEN DISCOUNT
