Last Day to Withdraw from 8-Week Session: July 10, 2015

Summer 2015 Academic Class Schedule Classes begin June 1, 2015

REGISTRATION & NEW STUDEN

ACCUPLACER ASSESSMENT

All students enrolling for the first time in courses with a math component, a writing component, or courses that require extensive reading are required to take the Accuplacer assessment before registering. The Accuplacer assessment is given in the Testing Center. Students are required to register for the appropriate level of classes indicated by the results of the assessment. The computerized assessment is free and covers basic computer skills, mathematics, English, and reading. Low scores will not keep students from enrolling in college, but some courses and programs have minimum score requirements.

Students may be exempt from taking the Accuplacer assessment if they have other test scores (e.g., ACT/SAT) that demonstrate college level skills. A valid picture identification is required when testing. After completing the assessment, take a copy of your Accuplacer Student Score Report to your academic advisor.

For more information on the Accuplacer assessment, including Testing Center hours of operation, call the Testing Center at 575.769.4088.
