## Application Navigator's home screen has a search-like interface

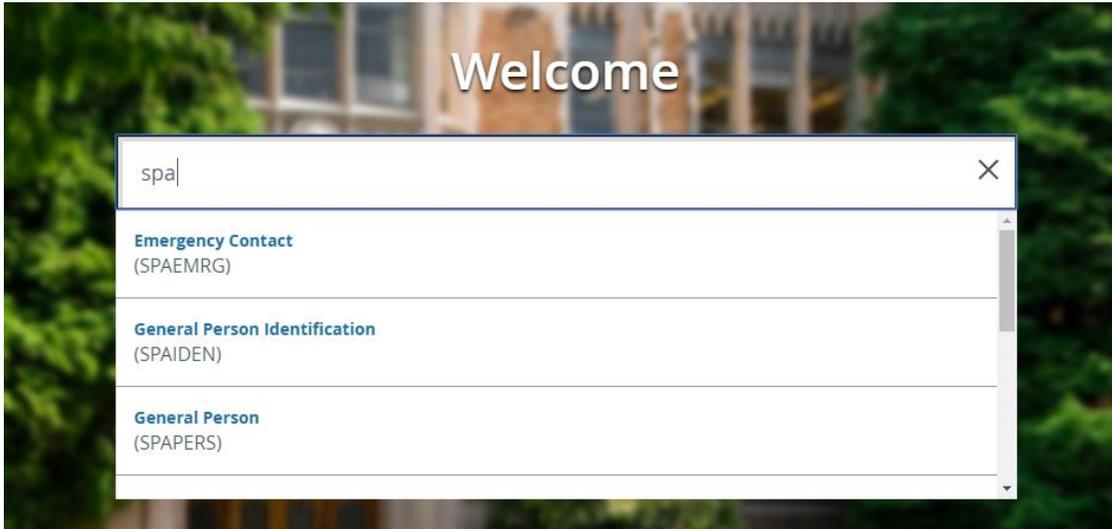

We'll look into customizing the "Welcome" text and background image later.

## Type a form name as you would in Banner INB

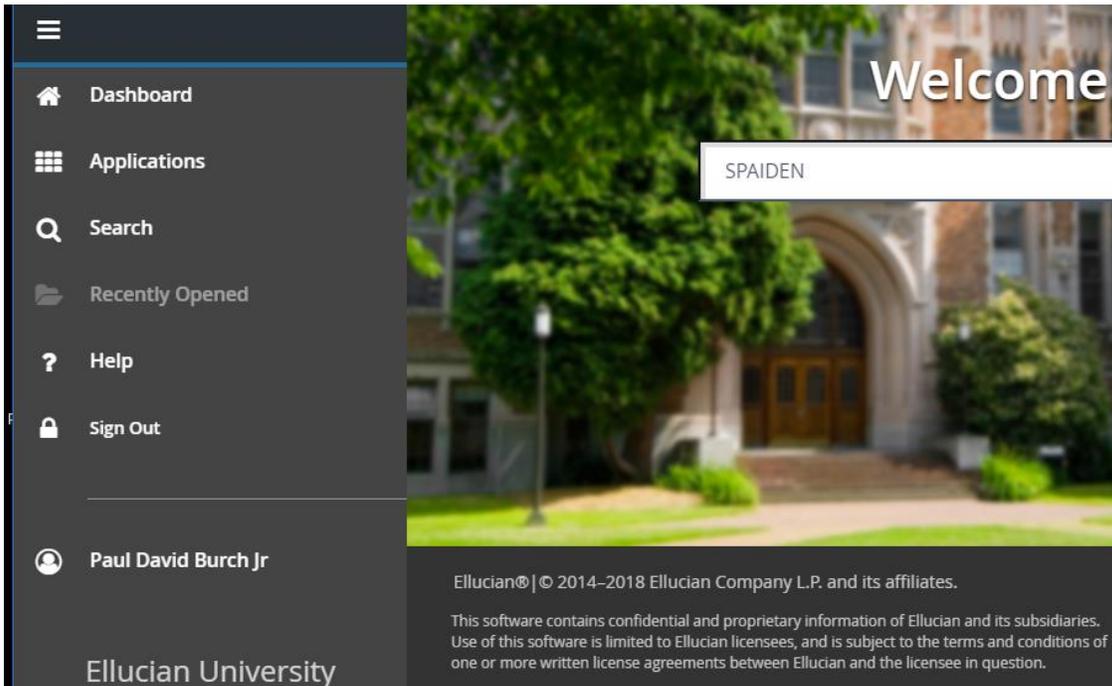

1. Live search
2. Menu bar

Type at least the first three characters of a form name to display matching forms

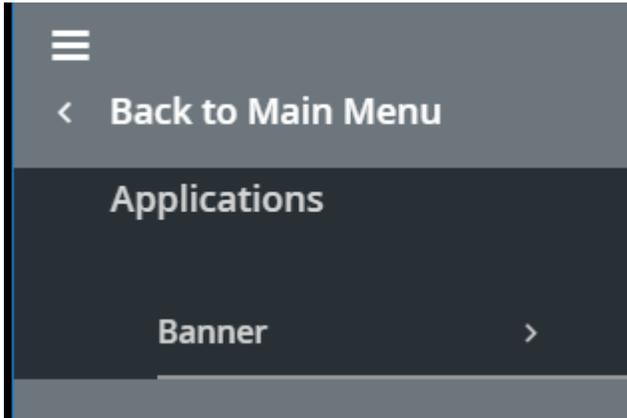

Click on the form description to go to a form in the search results. You can hit the Enter key after you have typed the full form name.

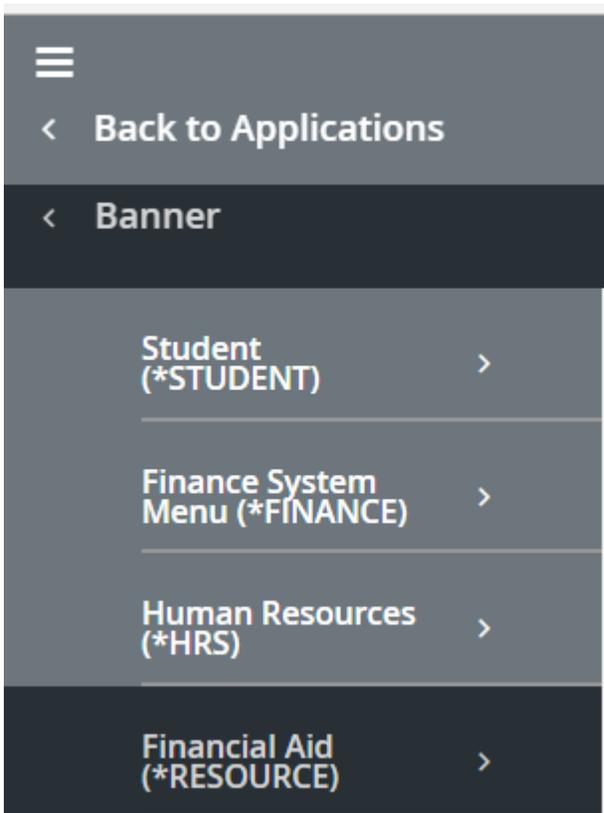

Click on the "Hamburger Icon" (the three lines in the top-left hand side) to open the menu bar wider to show descriptions

## Click on Applications

## Applications are listed by area

## Application Navigator forms should have the same fields and functionality as Banner 8 INB

General Person Identification SPAIDEN 9.3.10 (PPRD9)

ID: C00011593

Banner  
Warning: Information about this person is confidential.

Get Started: Complete the fields above and click Go. To search by name, press TAB from an ID field, enter your search criteria, and then press ENTER.

The forms have been converted to a mobile-responsive web interface. That means that the form will resize to fit the size of the web browser, no more Java problems, things will look and act a bit differently, and you'll want to use a more current web browser than the discontinued Internet Explorer. Try it out in Chrome or Firefox.

### Here's how SPAIDEN looks for me

General Person Identification SPAIDEN 9.3.10 (PPRD9)

ID: C00011593

Burch, Paul D.

Confidential

Go

Get Started: Complete the fields above and click Go. To search by name, press TAB from an ID field, enter your search criteria, and then press ENTER.

After dismissing the confidentiality notification, click on the Go button.

### Click on the tabs across the top to get to the different forms

OK

Enter your parameters, click in the Submission block, and click on the Save button.

The screenshot shows the 'Process Submission Controls GJAPCTL 9.3.7 (PPRD9)' interface. The 'Process' is set to 'GJRRPTS'. The 'PRINTER CONTROL' section includes fields for Printer (DATABASE), Special Print, Lines, Submit Time, MIME Type (None), and PDF Font. The 'PARAMETER VALUES' section contains a table with the following data:

Number *	Parameters	Values
01	Jobs to be Selected	GJRRPTS
02	Print User Level Defaults	Y

Below the table, it indicates 'Record 1 of 2' and 'LENGTH: 30 TYPE: Character O/R: Optional M/S: Single'. The 'SUBMISSION' section has a 'Save Parameter Set as' checkbox and fields for Name and Description. A 'Hold / Submit' button is visible. A 'SAVE' button is at the bottom right.

You'll see a notification of the file names that the process created.

This screenshot shows the process completion notification. The 'Process' is 'GJRRPTS'. A green bar displays the notification: 'Log file: gjrrpts\_2314629.log List file: gjrrpts\_2314629.lis'. A 'Go' button is present.

This screenshot shows the interface with a red arrow pointing to the 'Related' icon (a document with a magnifying glass) in the top toolbar. The notification bar is still visible. A tooltip for the icon reads 'Related (Alt+Shift+R)'. Below the notification bar, a grey box contains the text: 'Get Started: Complete the fields above and click Go. To search by name, press TAB from an ID field, enter your search criteria, and then press ENTER.'
