A group of five diverse young adults (three men and two women) are smiling and posing for a photo in front of a modern building with large glass windows. They are dressed in casual attire like plaid shirts, hoodies, and jeans.

## Have you heard about the "Free" College?

The Opportunity Scholarship may cover tuition and required fees for eligible New Mexico residents pursuing an approved career training certificate or associate's degree at a New Mexico public college. Note: You must meet certain requirements to be eligible and stay eligible for future semesters.

Self-Quiz!

Do you want to have an idea about your eligibility? Please take the self-quiz to find out! It should be under the first button that says "click here to get started" on the ReachHigherNM.com website. Also, make sure to speak to Financial Aid to confirm your eligibility status for the semester.
