

Secret Questions and Answers Setup on First Login

Secret Questions and Answers Setup

You are required to setup your secret questions and answers because you have not previously done so.

The secret question and answer pairs that you supply can be used to login if you forget your password. The questions and answers that you provide should be difficult for others to guess.

The following question and answer constraints are in place:

- The minimum number of valid question and answer question pairs that are required is: 6
- The minimum number of significant characters in a user-defined question is: 2
- The minimum number of significant characters in an answer is: 3
- Answers are not case sensitive (when answering the questions different upper and lower case characters may be supplied).
- Whitespace in answers is not significant (when answering the questions a different number of space characters may be supplied).
- Duplicate answers are not allowed.

Click on the "**Click here to continue**" link to continue to Pathway.

The screenshot shows the Pathway website interface. At the top right, there is a "Sign Out" link. The main navigation menu on the left includes "Home", "Student", "Student Resources", and "Financial Aid". The "Home" page is active, displaying "Clovis Community College Announcements". Below the heading, there is a section for "Announcements" with a filter dropdown set to "All". The message "You currently have no announcements." is displayed at the bottom of the announcements section.

After clicking continue, you should be logged in to Pathway.
