ACCUPLACER ASSESSMENT

All students enrolling for the first time in courses with a math component, a writing component, or courses that require extensive reading are required to take the Accuplacer assessment before registering. The Accuplacer assessment is given in the Testing Center. Students are required to register for the appropriate level of classes indicated by the results of the assessment.

The computerized assessment is free and covers mathematics, writing, and reading. Low scores will not keep students from enrolling in college, but some courses and programs have minimum score requirements.

Students may be exempt from taking the Accuplacer assessment if they have other test scores (e.g., ACT/SAT) that demonstrate college level skills. A valid picture identification is required when testing. After completing the assessment, take a copy of your Accuplacer Student Score Report to your Academic Advisor.

For more information on the Accuplacer assessment, including Testing Center hours of operation, call the Testing Center at [575.769.4088](tel:575.769.4088).

WITHDRAWING FROM CLASSES

Students who are dropped for nonpayment are encouraged to re-register and make payment arrangements to secure their classes; however, your original class(es) may be closed, and you may have to choose alternate classes.

RESIDENCY STATUS FOR TUITION PURPOSES

Tuition charges are determined by your residency status. The Admissions and Records Office classifies residency status for you when your completed application is received and processed. Residency is based on the following definitions:

Resident In-District: Students whose legal state of residency is New Mexico, who live within the boundaries of the Clovis Community College tax district, and who have lived in New Mexico for the past 12 consecutive months.

Resident Out-of-District: Students whose legal state of residency is New Mexico, and who have lived in New Mexico for the past 12 consecutive months, but who live outside of the Clovis Community College tax district.

Any Texas residents who reside within a 135-mile radius of CCC will be assessed in-state, out-of-district tuition.

Non-Resident: Students whose legal state of residency is not New Mexico or who have not lived in New Mexico for the past 12 consecutive months.

Petitions for In-State Tuition Classification: You must petition for changes to your residency status by completing a Petition for Resident Tuition Classification. This form is available in the Admissions and Records Office. All requirements must be met by **June 7, 2021** and documentation submitted to the Admissions and Records Office by **June 25, 2021**.

Military Exemption: Military personnel and their dependents qualify for in-state tuition rates. Contact the Admissions and Records Office at [575.769.4025](tel:575.769.4025) for assistance.

FINANCIAL AID

Students eligible for financial aid who would like to charge their tuition and fees must set up a Pending Financial Aid Payment Plan (PFAPP), even if their file is complete. Students who withdraw before their financial aid checks are disbursed may lose their eligibility and may be responsible for payment of tuition, fees, books, and miscellaneous charges.

Financial aid students who stop attending, withdraw, or are administratively withdrawn from classes before **July 9, 2021** may be subject to a Federal Refund Calculation.

If you are using Financial Aid, please contact the Financial Aid Office prior to withdrawing. Withdrawing from a class is final and you cannot be reinstated. Contact the Admissions and Records Office at [575.769.4025](tel:575.769.4025) or email admissions@clovis.edu if you need assistance.
