ACCUPLACER ASSESSMENT

All students enrolling for the first time in courses with a math component, a writing component, or courses that require extensive reading are required to take the Accuplacer assessment before registering. The Accuplacer assessment is given in the Testing Center. Students are required to register for the appropriate level of classes indicated by the results of the assessment.

The computerized assessment is free and covers mathematics, writing, and reading. Low scores will not keep students from enrolling in college, but some courses and programs have minimum score requirements.

Students may be exempt from taking the Accuplacer assessment if they have other test scores (e.g., ACT/SAT) that demonstrate college level skills. A valid picture identification is required when testing. After completing the assessment, take a copy of your Accuplacer Student Score Report to your Academic Advisor.

For more information on the Accuplacer assessment, including Testing Center hours of operation, call the Testing Center at [575.769.4088](tel:575.769.4088).

ADVISING

All students are encouraged to contact an Advisor prior to registering for assistance with course selection. The following students are required to meet with an Academic Advisor:

- First-time, degree-seeking students
- All Financial Aid students
- Students applying for Veteran's Assistance
- Students returning from academic probation or suspension status

Advisors are available on a walk-in basis. Each Advisor specializes in different major fields and student needs. Please contact the Academic Advising Office at [575.769.4020](tel:575.769.4020) or email academic.advising@clovis.edu for hours of operation or more information.

BOOKS AND SUPPLIES

Books and supplies are available at CCC's Bookstore. Please purchase your books prior to your first class meeting. More information regarding book orders and rentals can be found at clovis.edu/bookstore.

Textbooks are now more accessible and affordable!

Beginning Fall 2021, Clovis Community College is implementing a new Textbook Affordability Package to provide students with easier access to textbooks at an average cost savings of 38%*. Textbook costs are automatically built into tuition and fees at the time of registration. Now students can stop by the bookstore and pick up books or have them shipped directly to their home with no additional costs. This allows for a streamlined process for financial aid charging and textbook costs may be tax deductible.

TRADITIONAL TEXTBOOK AFFORDABILITY PACKAGE

This is a textbook rental package for most general education courses and some program courses. See clovis.edu/bookstore for a complete list of courses. Students will have the option to purchase the rentals at the end of the semester by paying the difference in rental and purchase costs plus a \$10 purchase fee.

Textbook costs are \$25 per credit hour, which includes textbooks**, lab manuals, and access codes. This fee excludes any lab kits or supplies such as dissection kits, art supplies, etc.

PROGRAMMATIC TEXTBOOK AFFORDABILITY PACKAGE

This is a package in which books are purchased as a bundle in order to offer a lower cost to students. See clovis.edu/bookstore for a complete list of programmatic textbook fees for the following programs:

- Automotive
- Electrical Maintenance
- Industrial Technology
- Nursing
- Radiologic Technology
- Welding

Students who wish to opt out of the Textbook Affordability Package are responsible for all textbook costs and must contact academic.advising@clovis.edu or [575.769.4099](tel:575.769.4099) for textbook advising. Textbooks will be available the week before classes start. Stop by the campus bookstore to pick up your textbooks or contact them at [575.759.4050](tel:575.759.4050) or bookstore@clovis.edu to schedule free delivery.

* Average annual textbook cost for CCC students enrolled in 12-credit hours of non-programmatic courses was \$960 in 2020-2021. With the Textbook Affordability Package Program, annual textbook costs are \$600 for students enrolled in 12-credit hours of non-programmatic courses, a 38% savings.

** Rentals must be returned at the end of the semester.

CAMPUS TOURS & STUDENT ORIENTATION

Attending orientation is important in answering any questions you may have about your college career. Orientation topics include: student services; campus resources; meeting students and staff; and getting involved. Take advantage of this opportunity to meet other new students and take a campus tour with a member of the Student Ambassador program. If you are a first-time student, it is highly recommended you attend orientation. We are confident that CCC can help you establish a good start to a successful semester and help lay the foundation for your college career. If you have any questions about spring orientation, please contact the Admissions & Records Office by calling or texting [575.479.5006](tel:575.479.5006).

Fall Orientation will be held in a virtual format on Tuesday, August 17. Watch your email for an invitation.

WITHDRAWING FROM CLASSES

If you withdraw from a class after the last day of late registration, the withdrawal will be recorded as "W" on your transcript. If you feel you will be unable to complete a course successfully, you must withdraw in order to avoid a failing grade for the course. You can withdraw ONLINE at pathway.clovis.edu or complete a form in the Admissions and Records Office prior to the deadline. For more information, please contact the Admissions and Records office at 575.769.4025.

Please see the Academic Calendar at clovis.edu/academiccalendar for final withdrawal dates. Financial aid students should contact the Financial Aid office for information on how withdrawals may affect future financial aid. Withdrawing from a class is final and you cannot be reinstated.

TUITION, FEES, & PAYMENT

Deadline to pay for Fall 2021 Semester is midnight on **August 13, 2021**. After that date, payment must be made the day of registration.

If payment or other financial arrangement is not made by the payment deadline, class registrations may be voided. It is the student's responsibility to drop classes through the Admissions Office if he or she does not plan to attend. Do not assume registration will automatically be voided for nonpayment. Students who are dropped for nonpayment are encouraged to re-register and make payment arrangements to secure their classes; however, your original class(es) may be closed, and you may have to choose alternate classes.

RESIDENCY STATUS FOR TUITION PURPOSES

Tuition charges are determined by your residency status. The Admissions and Records Office classifies residency status for you when your completed application is received and processed. Residency is based on the following definitions:

Resident In-District: Students whose legal state of residency is New Mexico, who live within the boundaries of the Clovis Community College tax district, and who have lived in New Mexico for the past 12 consecutive months.

Resident Out-of-District: Students whose legal state of residency is New Mexico, and who have lived in New Mexico for the past 12 consecutive months, but who live outside of the Clovis Community College tax district.

Any Texas residents who reside within a 135-mile radius of CCC will be assessed in-state, out-of-district tuition.

Non-Resident: Students whose legal state of residency is not New Mexico or who have not lived in New Mexico for the past 12 consecutive months.

Petitions for In-State Tuition Classification: You must petition for changes to your residency status by completing a Petition for Resident Tuition Classification. This form is available in the Admissions and Records Office. All requirements must be met by **August 23, 2021** and documentation submitted to the Admissions and Records Office by **September 10, 2021**.

Military Exemption: Military personnel and their dependents qualify for in-state tuition rates. Contact the Admissions and Records Office at [575.769.4025](tel:575.769.4025) for assistance.

FINANCIAL AID

Students eligible for financial aid who would like to charge their tuition and fees must set up a Pending Financial Aid Payment Plan (PFAPP), **even if their file is complete**. Students who withdraw before their financial aid checks are disbursed may lose their eligibility and may be responsible for payment of tuition, fees, books, and miscellaneous charges.

Financial aid students who stop attending, withdraw, or are administratively withdrawn from classes before **October 25, 2021** may be subject to a Federal Refund Calculation.

If you are using Financial Aid, please contact the Financial Aid Office prior to withdrawing. Withdrawing from a class is final and you cannot be reinstated. Contact the Admissions and Records Office at [575.769.4025](tel:575.769.4025) or email admissions@clovis.edu if you need assistance.

Students with a PFAPP may charge books and supplies **August 14-September 3, 2021** (based on remaining eligibility).

Visit the Financial Aid Office or call [575.769.4060](tel:575.769.4060) or email finaid@clovis.edu for more detailed information.

SCHOLARSHIPS

CCC has many scholarships available, ranging from \$100 to \$1,000 per year. Students are encouraged to apply for scholarships to lessen the need for loans or part-time work to attend school. These scholarships are made possible by generous contributions to the College and CCC Foundation.

Apply ONLINE for dozens of CCC scholarships at clovis.academicworks.com.

SENIOR CITIZEN DISCOUNT

Senior citizens may register beginning **April 13, 2021** and pay the reduced rate of \$5 per credit hour. Senior citizens who register prior to **April 13, 2021** are not eligible for the senior citizen discount. Qualifications for senior citizen discount:

- Must be 65 years of age by **September 3, 2021**
- Must be **classified as a New Mexico resident**
- Must enroll for **10 credit hours** or less during the semester

Senior citizen students must pay any course fees associated with classes. Senior citizens enrolled at CCC and who receive a reduction in tuition are entitled to all rights and privileges afforded all students.

PAYMENT OPTIONS

In-person: Cash, money orders, checks (made payable to Clovis Community College), MasterCard, Visa, Discover, and American Express payments may be made at the cashier's window across from the Bookstore.

By phone: Phone in credit card information to [575.769.4132](tel:575.769.4132) or [575.769.4035](tel:575.769.4035).

- Click on the **Student Tab**
- Click on **Pay Here** with TouchNet under Registration Tools

Third-Party Sponsor:

If a third party (i.e., employer or government agency) is paying tuition and fees on a student's behalf, either the student or the third party must provide a copy of the authorization to the cashier at the time of registration.

Deferred Payment Plan:

CCC offers a deferred payment plan administered by TouchNet Information Solutions. To initiate payment plan, login to Pathway at pathway.clovis.edu. Students must have a checking or credit card account to schedule and make payments, and students must be enrolled in at least three credit hours to take advantage of the payment plan. Students should initiate the contract and make initial payment at the time of registration to confirm their registration. Students are charged a non-refundable fee of \$10 to use the deferred payment plan.

IMPORTANT FAFSA INFORMATION

Financial Aid students meeting the priority deadline of **August 2, 2021** will be guaranteed to have their financial aid processed by the first day of classes. To meet a priority deadline, you must have been admitted to or be currently enrolled in a degree-seeking program at CCC, have submitted a valid FAFSA to the federal government with the results received by CCC, be in good standing for financial aid, and submit all additional documentation required, if any, for the completion of your file. Any required corrections could delay completion of your file. You should login to PATHWAY to check for any outstanding financial aid documents and/or requirements.
