## Exploring TRIO SSS and It's Opportunities:

TRIO SSS provides academic support, aid in postsecondary course selection, and informs students about the full range of financial aid programs, benefits and resources for locating both public and private scholarships. Educational and informational services are offered to improve the financial

and economic literacy of students. Students are also prepared to apply for admission to four-year and professional programs through informational workshops and transfer advising. Additionally, as it is the goal of TRIO SSS to retain each student until degree completion, TRIO SSS of-

fers individualized peer mentoring for each active participant. TRIO SSS **may also** provide individualized advising

## Program Description:

Through a grant competition, funds are awarded to institutions of higher education to provide opportunities for academic development, assist students with basic college requirements, and to mo-

tivate students towards the successful completion of their postsecondary education. Student Support Services (SSS) projects also may provide grant aid to current SSS participants who are receiving

Federal Pell Grants. The goal of TRIO SSS is to increase the college retention and graduation rates of its participants.

# Program Reminder

There have been several modifications with the TRIO SSS Program. Here are a few you may have noticed:

Concern:	Solution:	Reason:
Ensuring Student Privacy	Red Rope	The barrier prevents others from interrupting or overhearing the private information that you share with TRIO SSS Staff.
Meeting Student Needs Efficiently	Appointments	<p>The appointment system ensures that each student's necessary files and information are available at the time of meeting. We hope that this will make your meeting with our TRIO SSS Staff as efficient and successful as possible.</p> <p>Monday through Friday: Appointments can be made during office hours.</p>
Tracking TRIO Time	Student Access Lab Contact Assistant (LCA)	Using LCA and signing in and out on the laptop at the front desk ensures that all of your TRIO time is accurately recorded, and allows you to accumulate the time necessary to fulfill TRIO SSS requirements (including the time necessary for GA consideration).

We will be happy to answer any questions you may have about the current program modifications or the utilization of LCA. See you soon!

# Spotlight on Academics!!!

*What are some definitions that we all need to know?*

- **Syllabus**  
An outline or a summary of the main points of a text, lecture, or course of study.
- **Audit**  
Auditing a course allows students to review a subject area as a refresher or for general use.
- **Completed Hours**  
Total number of credit hours taken and passed in a college.
- **Transcript**  
This is the official document containing the record of a student's academic performance and testing history. The transcript must be issued by the school at which a student is or has been officially enrolled and should be certified by the signature of an authorized school administrator. The school's official seal or watermarked school stationery may also be used to authenticate the transcript.
- **FAFSA**  
The Free Application for Federal Student Aid (known as the FAFSA) is a form that can be prepared annually by current and prospective college students (undergraduate and graduate) in the United States to determine their eligibility for student financial aid (including the Pell Grant, Federal student loans and Federal Work-Study).

## Economic Literacy Tip!

### Market Economy -

An economic system in which economic decisions and the pricing of goods and services are guided solely by the aggregate interactions of a country's citizens and businesses and there is little government intervention or central planning

## Financial Literacy Tip!

### FICO Credit Score Make-

#### Up:

Payment history (35%)

Amounts owed (30%)

Length of credit history (15%)

Types of credit in use (10%)

New credit (10%)

<http://www.myfico.com/CreditEducation/WhatsInYourScore.aspx>

### Loans - Interest Rate and Calculation:

A rate which is charged or paid for the use of money. An interest rate is often expressed as an annual percentage of the principal. It is calculated by dividing the amount of interest by the amount of principal.

P = principle, R = rate, T = time (normally in years) and I = Interest.

$P \text{ (principal)} \times R \text{ (rate)} \times T \text{ (time)} = I \text{ (interest)}$

Principle + Interest = Total Amount to be Paid
